Mission Statement

The Washoe County School District sets out to create an education system where all students achieve academic success, develop personal and civic responsibility, and achieve career and college readiness for the 21st century.

Superintendent's Highlights

Washoe County School District (WCSD) Named Third Best School District in Nevada

The WCSD has been named the "third best school district in Nevada" by Niche, a company that researches and compiles information on schools. The ranking includes a variety of factors such, as the strength of academics, culture and diversity, health and safety, quality of teachers, and resources and facilities.

WCSD Opens 3 New Schools in SY19/20, the First in a Decade; Breaks Ground on 4 More

Two new middle schools and one new elementary school opened their doors in August 2019. Each of the three schools, Desert Skies Middle School, Sky Ranch Middle School and Nick Poulakidas Elementary, were opened on time and on budget to outstanding publicity and praise. The additional capacity provided overcrowding relief, which has been felt across the entire District, impacting approximately 20,000 students directly and indirectly. Marce Herz Middle School, John Bohach Elementary School, Michael Inskeep Elementary School and Procter R. Hug High School all began construction in SY19/20 to help alleviate overcrowding as well.

WCSD Facilities Management Department also successfully completed a District-wide retrofit of inefficient energy elements such as LED lights and programmable thermostats. These investments improve the conditions in every space throughout all of our schools and will reduce the utility costs to the District by over \$2.3 million per year.

WCSD Honors Outstanding Contributions of Nutrition Services Employees

Although traditional classes were suspended in the WCSD in mid-March due to the COVID-19 pandemic, Nutrition Services staff members continued to work every day, preparing nearly 450,000 nutritious meals for thousands of children in Washoe County who might otherwise have gone without food.

Nutrition Services employees prepared meals that were delivered to two dozen sites across the county and distributed by the Food Bank of Northern Nevada. At several other remote sites in the District, WCSD Nutrition Services employees transported and distributed meals to children.

40 WCSD Schools Offer Free Breakfast and Lunch for All Students in 2019-2020 School Year

The WCSD offered free breakfasts and lunches to all students at 40 schools, regardless of family income, thanks to the Community Eligibility Provision (CEP), a program sponsored by the U.S. Department of Agriculture (USDA). Nutrition Services provided 1,726,798 breakfasts and 1,790,752 lunches at the 40 CEP school sites.

Through the CEP program, schools in high-poverty areas offered breakfast and lunch to all students at no charge, and without the burden of collecting and processing school meal applications. According to the USDA, schools that implement this program experience great success, ease the administrative burden, improve efficiency, decrease the stigma of receiving free meals, and increase participation in their school meal programs.

WCSD Staff and Students Celebrated Walk to School Day

In an effort to encourage awareness about traffic safety when students are walking and riding bicycles to school, the WCSD observed National Walk to School Day with activities at schools across the District. This annual event took on a new urgency and significance as more than a dozen children in Washoe County were injured in traffic collisions—several seriously—since school began on August 12, 2019.

In Washoe County, law enforcement agencies and community groups banded together to remind motorists about their responsibility to watch for pedestrians and bicyclists and give them the right of way. National Walk to School Day events is a collaborative effort between WCSD, the Regional Transportation Commission (RTC), Renown Regional Medical Center, REMSA, and Safe Kids Coalition. Students received incentives like water bottles, stickers, and pencils printed with safety

messages that were distributed to participating schools. Teachers also incorporated the messages in their daily lessons.

National Family & Community Engagement Conference

Reno was selected to host the National Family & Community Engagement Conference as a result of the WCSD's leadership and sustained efforts in engaging families in partnership with schools. WCSD employs several strategies of its own and supports schools to help engage families. At the conference, D'Lisa Crain, WCSD's Family Partnership Administrator, was recognized by the conference chair as a distinguished leader in this field.

WCSD Eliminates its General Fund Budget Deficit and Passes a Balanced Budget

In 2017, the Board adopted a goal to eliminate the District's structural deficit within three years. In June 2019, the Board accomplished this one full year early when it passed a balanced budget for the General Fund for Fiscal Year 2019-20. This was the District's first balanced budget in 16 years and reflected WCSD's efforts to reduce General Fund costs by over \$60 million over the last three years. WCSD is the first school district in the United States to implement priority-based budgeting, a national best practice for government budgeting. In June 2020, the Board passed its second consecutive balanced General Fund budget for the Fiscal Year 2020-21.

WCSD Wins Meritorious Budget Award

The Association of School Business Officials International (ASBO) presented a Meritorious Budget Award to the District for excellence in the preparation and issuance of its budget for Fiscal Year 2019–2020. The budget adheres to the principles and standards of ASBO International's Meritorious Budget Award criteria.

WCSD Earns National Recognitions for Financial Excellence

For the 19th consecutive year, the WCSD has been recognized for responsible fiscal practices by the Government Finance Officers Association (GFOA). The group awarded its Certification of Achievement for Excellence in Financial Reporting to the WCSD Office of Business & Financial Services in recognition of its award-winning Comprehensive Annual Financial Report (CAFR) for the fiscal year that ended June 30, 2019. For the fourth consecutive year, GFOA awarded its Award for Outstanding Achievement in Popular Annual Financial Reporting to the WCSD Office of Business & Financial Services in recognition of its award-winning Popular Annual Financial Report (PAFR) for the fiscal year that ended June 30, 2019.

WCSD Receives National Award for Excellence in Procurement

The WCSD was honored for responsible use of taxpayer funding. The 2019-2020 fiscal year marked the 18th consecutive year that WCSD's procurement team has won the Annual Achievement of Excellence in Procurement Award (AEP) from the National Procurement Institute (NPI). This is the 22nd time WCSD has received the AEP award since the award's inception in 1995, which honors innovation, professionalism, productivity, e-procurement, and leadership attributes. WCSD is one of only six agencies in Nevada and is among just 23 school districts in the United States and Canada to receive the award.

WCSD's Department of Procurement & Contracts is charged with using WCSD funds in the most economical and efficient manner possible to purchase quality supplies, equipment, and services to support WCSD's educational mission. The team also is responsible for managing all solicitations for WCSD's public works projects, including the new schools, safety improvements, and school renovations and repairs.

WCSD Receives Favorable Financial Ratings

WCSD now has "AA" ratings from Moody's, S&P and Fitch rating services. In November 2019, Moody's Investors Service upgraded the District's bond ratings from A1 to Aa3, reflecting a positive assessment of the District's creditworthiness with its debt obligations. At the same time, Standard & Poor's (S&P) reconfirmed their rating of WCSD's general obligation debt as "AA". In December 2019, Fitch Ratings also upgraded the District's bond rating from A+ to AA-. As a result, WCSD now has a double A rating from all three major rating organizations. A triple A rating (i.e., AAA) is the highest possible rating; however, there are very few public agencies with a rating that high.

Bond ratings from the credit rating agencies are important because investors that buy long-term municipal bonds sold by the District and other government entities look to these ratings as a gauge of the financial strength of an agency. The better an agency's credit rating is, the lower the interest rate the agency generally has to pay when it sells bonds in the bond market.

WCSD Counseling, Social and Emotional Learning (SEL), School Police Services Awarded \$7.1 Million in School Safety Grant Funding

The WCSD has been awarded more than \$7.1 million under Nevada Department of Education's School Safety program. Three programs will be supported by this funding in fiscal years 2020 and 2021: Social Workers in Schools, Social Emotional and Academic Development, and School Resource/School Police Officers.

These comprehensive school safety components provide vital resources and services every day in schools across the District. The funding is available due to Nevada Legislation SB 89 through the Nevada Department of Education's Office of Safe and Respectful Learning Environments.

WCSD was awarded funding in three of the four categories including: Social Workers and other mental health providers - \$2,064,480 each in FY 20 and FY 21; School Resource/School Police Officers - \$976,431 in FY 20 and \$951,185 in FY 21; and Social, Emotional, and Academic Development - \$566,500 in FY 20 and \$504,220 in FY 21

Education Alliance Awards 2020 Partner in Education PiE Champions

Education Alliance of Washoe County honored three organizations for their support and expertise as Partners in Education (PiE). This year's selected exceptional PiE Champions include Grand Sierra Resort and Casino, Panasonic Energy of North America, and Sparks Christian Fellowship.

Grand Sierra Resort and Casino (GSR) has been a Partner in Education since 1998. GSR provides food and volunteer staff at school events and has committed to annual financial support of their partner schools.

Panasonic Energy of North America is a district-wide Partner in Education sponsoring the Run for Education to support Physical Education in WCSD elementary schools, volunteering at the Teachers' Warehouse, donating funds for food at Principal for a ½ Day, and hosting sophomore interviews at Sparks High School.

Sparks Christian Fellowship supports 11 WCSD schools in Sparks with holiday donations, staff appreciation gifts and events, and grounds clean-up events at each school.

PEACE Grant - WCSD was one of only twenty-two districts nationwide to receive this five year grant

The 2020 school year would mark the closure of the PEACE Grant, a federal grant to support trauma informed practices at select schools primarily in the North Valleys community; however, an extension of the funds is likely to be granted for another year. Grant funds supported violence prevention activities at target schools and school-based mental health services delivered by school social workers, school counselors, and contracted mental health partners in collaboration with school staff. In addition, the grant funded professional development opportunities for school staff and stakeholders related to evidence-based violence prevention and intervention programs. Successful outcomes associated with the grant include an increase in the number of students and families receiving mental health services, the strengthening of school social work infrastructure within WCSD, and enhanced partnerships with community-based mental health service providers that contribute to improved student/family access to mental health services.

Rotary Club of Reno Donates \$25,000 to Education Alliance of Washoe County for Student Laptops - Downtown Rotary helps provide students with home computer access

Education Alliance received a \$25,000 donation from the Rotary Club of Reno, known as the Downtown Rotary Club. The funds were used to supply laptops for in-need students for their distance learning due to the COVID-19 pandemic. Although many students and families have computers to access district-provided online resources, 16,000 students do not have the needed technology at home. WCSD has worked to ensure equitable resources for all students by providing paper packets for students.

Education Alliance quickly joined forces with ITS Logistics and Reno Cigar Lions Club to collect new and used computers, as well as financial donations to purchase laptops in response to the critical need.

Reno South Rotary Club Helps Provide Students With Home Computer Access / Rotarians donate \$4,000 to Education Alliance of Washoe County for student laptops

These funds are used to supply WCSD students in need with computers for Distance Learning. Although many students and families have computers to access district-provided online resources, a significant number of students do not have the needed technology at home.

Eight WCSD Schools Rank Among Nevada's Top 30 High Schools - District makes strong showing in U.S. News & World Report rankings

In a national study issued by U.S. News & World Report, eight high schools in the WCSD are listed among Nevada's top 30 high schools: the Academy of Arts, Careers & Technology (AACT) ranked sixth in the state; Incline High School ranked 10th; Reno High School ranked 11th; Galena High School ranked 13th; McQueen High School ranked 19th; Damonte Ranch High School ranked 21st; TMCC High School ranked 27th; and Wooster High School ranked 28th. Coral Academy High School, a charter school sponsored by WCSD, ranked seventh this year.

The annual U.S. News & World Report examines data on more than 24,000 public high schools in the 50 states and the District of Columbia. The ranking methodology draws from data for the 2017-2018 school year, using both state and federal datasets.

WCSD Students Making Great Strides in AVID Classrooms

Students at nine schools in the WCSD are achieving at higher levels in more rigorous courses, and are learning advanced academic and social skills, thanks to "Advancement Via Individual Determination"—or AVID.

This program provides intensive supports with in-class tutors, creates positive peer groups for students, and develops a sense of hope and personal achievement. Students learn skills that are essential in higher education and life: writing, inquiry, collaboration, organization, and reading. In AVID classrooms, these skills are embedded in all content areas, lessons, and activities.

WCSD reported positive academic outcomes for students in the Class of 2019 who participate in AVID:

- 100 percent of AVID students in the WCSD Class of 2019 graduated on time
- 55 percent of AVID students in the same class took at least two courses that carried more academic rigor
- 94 percent of WCSD AVID students expressed plans to attend an institute of higher learning after graduating from high school
- 82 percent of AVID students in WCSD completed the entrance requirements for a four-year college
- The average grade point average (GPA) of AVID seniors was 3.

For more information about AVID in WCSD, visit <https://vimeo.com/orangetreeps/review/230084478/9f38ed783bWCSD>

Student Wins National Merit Scholarship

The National Merit Scholarship Corporation has announced that a high school senior from the Washoe County School District (WCSD) has been awarded a college-sponsored scholarship beginning this fall.

Thomas D. Ballinger, who graduated from North Star Online School, plans to study genetics at Washington State University. He is one of nearly 4,000 winners of college-sponsored award recipients named by the National Merit Scholarship Corporation. A total of 7,600 distinguished high school graduates will receive scholarships financed by the National Merit Scholarship Corporation, colleges, or universities for undergraduate study worth more than \$30 million.

Ballinger will receive annual awards ranging from \$500 to \$2,000 for up to four years of undergraduate study at Washington State

University, which is financing the scholarship. This year, 167 colleges and universities are sponsoring awards in 43 states and the District of Columbia.

A total of seven WCSD high school students were named semifinalists. The semifinalists from the Washoe County School District were:

- Thomas D. Ballinger, North Star Online School
- Edward T. Cheng, Wooster High School
- John T. Nunley, TMCC High School
- William S. Ryan, TMCC High School
- Maxwell P. Schnelker, Galena High School
- Isaac Sorensen, Reno High School
- Miriam P. Yun, Reno High School

These students are among more than 1.5 million juniors in about 21,000 high schools nationwide who entered the 2020 National Merit Scholarship Program by taking the Preliminary SAT/National Merit Scholarship Qualifying Test, which served as an initial screening of program entrants. A nationwide pool of semifinalists—representing less than one percent of high school seniors in the United States—includes the highest-scoring entrants in each state.

WCSD Teachers Win Coveted Presidential Awards for Excellence

Two WCSD teachers have been named recipients of the Presidential Awards for Excellence in Mathematics and Science Teaching. Suzette Champagne, a third-grade teacher at Jessie Beck Elementary School, and Christine Donahue, a third-grade teacher at Ted Hunsberger Elementary School, accepted their awards in Washington, D.C. Each received a \$10,000 award from the National Science Foundation.

The award recognizes those teachers who have both deep content knowledge of the subjects they teach and the ability to motivate and enable students to be successful in those areas. Since the program's inception, more than 4,800 teachers have been recognized for their contributions in the classroom and to their profession.

WCSD Employee Named Nevada School Counselor of the Year

Rachel Drake, a longtime educator and school counselor for the WCSD, has been named the Nevada School Counselor of the Year. This honor recognizes a school counselor who follows best practices in their comprehensive school counseling program.

Rachel Drake has worked in public education for more than two decades and has worked as a school counselor for 13 years. She has experience in middle school, high school, and alternative programs in Michigan, Arizona, and Nevada. Drake is currently the lead school counselor at Vaughn Middle School in Reno.

WCSD Schools Honored by State for Exemplary Support of Students

Four schools in the WCSD have been honored by the Nevada Association for Positive Behavior Supports Network (NV APBS) for exemplary implementation of Positive Behavioral Interventions and Supports (PBIS). PBIS is a framework and offers guidance in creating a comprehensive school climate system. Through this system, schools establish and teach school-wide behavioral expectations, reinforce appropriate school behavior, and provide direct social skill instruction and development.

Lemmon Valley Elementary School was one of two schools in the state to be recognized with the Diamond Award—the highest possible honor. Elmcrest and Kate Smith elementary schools were two of 11 schools in the state to receive the second-highest honor, the Platinum Award. And Robert Mitchell Elementary School was among eight schools statewide to receive the Silver Award.

PBIS provides a continuum of school-wide, targeted, and individual supports for students who are learning social and emotional skills at school. These supports involve teaching students about how to recognize and express their emotions in positive ways, engage with their peers and adults constructively, and self-manage their behavior. Data show these programs contribute to better academic outcomes, fewer disciplinary actions, and a more positive school environment overall.

Hunter Lake Elementary School Named National Blue Ribbon School

The U.S. Department of Education has designated Hunter Lake Elementary School as a National Blue Ribbon School. This coveted national honor recognizes exemplary teaching and learning taking place at public and private schools across the country.

Hunter Lake Elementary School is receiving the award based upon high levels of academic achievement over the past five years, and the award is being bestowed in recognition of the hard work of students, educators, families, and school staff members. Advanced Technologies Academy and Charles and Phyllis Frias Elementary School in Clark County also were awarded National Blue Ribbon School awards this year. All three schools were nominated by the Nevada Department of Education.

In its 39-year history, the National Blue Ribbon Schools Program has bestowed this award on more than 8,500 schools across the country. Twelve WCSD schools have been awarded National Blue Ribbon Awards since 1991.

Reed High School Science Class Wins National Recognition for Invention Idea

Students in Career & Technical Education (CTE) and science classes at Reed High School are among 14 teams of students from across the country to receive up to \$10,000 in grant funding to build a technological invention of their choosing. The grant was awarded by the Lemelson-MIT Program's InvenTeams® national grants initiative, which inspires young people to invent technological solutions to real-world problems.

Reed High School Students Named State Winners in Annual Samsung Competition

Reed High School has been named one of two state winners in the annual Samsung Solve for Tomorrow Contest. Students in science teacher Leigh Metcalfe's Energy Technologies Advanced Studies and AP Environmental Science classes created a

project to address the growing percentage of students suffering from anxiety who do not have access to tools or resources for coping.

Reed High School is among the nation's 100 State Winners and will receive \$15,000 in technology and classroom materials for its achievement. In addition, the school will receive a Samsung video kit for students to create and submit a three-minute video that showcases their project development and how it addresses the issue. Students will submit their video for a chance to advance to the next phase of the contest and win additional prizes and educational opportunities.

Goals and Objectives

- Ensure annual student academic growth through a system of curriculum, instruction, and assessment that is aligned, rigorous, and relevant.
- Instruction will be designed to meet the needs of every child in our diverse student population.
- To develop and retain highly effective personnel who are driven to support students and their academic success as well as the success of the District.
- The Washoe County School District will accomplish this goal through recruitment, selection, professional development, and training.
- Engage family, staff, Trustees, and community members in strong relationships, provide meaningful opportunities to increase their educational expertise and trust, and share responsibility for student success.
- Provide and continuously improve operational systems that are effective, efficient, transparent, and accountable by using meaningful structures and processes.
- Ensure our schools are safe, secure, supportive, and welcoming environments where students and staff are able to succeed academically and professionally at the highest possible levels.

District Communication Efforts

The following was accomplished in family engagement during the 2019-2020 school year in support of the Washoe County School District's (WCSD) strategic plan. The Title I Department, the Department of Family-School Partnerships (FSP), the Office of Strategies and Ombudsman Services and the Department of Child & Family Services worked in collaboration with the District's Council on Family Engagement (COFE) to implement district-wide initiatives for family engagement that included:

- The Department of Child & Family Services partners with families in multiple ways including providing program wide family events on literacy, math and science, parent workshops on the Nevada Pre-K Standards, the transition between Pre-K and Kindergarten and literacy bags to support learning at home. Families receive social and emotional supports including solution cards that support conflict resolution and social stories to help support children through difficult situations. Children and extended family members received books at every event to support literacy. Teachers provide a variety of monthly family engagement activities in addition to having a classroom library for parents to check out books to take home.
- Title I funded and provided supports to Family and Community Engagement (FACE) liaisons hired at each of the district's Title I schools in order to provide families academic support and fulfill the vision of family engagement in ESSA.
- FACE liaisons worked collaboratively with the 21st Century Team Up afterschool site coordinators to align family engagement events and activities at their school sites. There were 24 Title I schools in the 19-20 school year that had afterschool programming.
- Professional learning on family engagement for support staff, teachers and administrators through district programs such as Teal Tuesdays with Learning Strategists as part of Read by Grade 3, Blue Fridays with certified coaches and support staff, Social and Emotional Mini-Conferences, Alternative Routes to Licensure, FACE liaisons/FGAs/Student Graduation Advocates and with various departments in WCSD.
- FACE and high school Family Graduation Advocate (FGA) academic contacts were tracked with families in Infinite Campus Student Information System to provide continuous improvement and focus the FACE and FGA positions on supporting families with their child's academic achievement and development. School reports to pull and monitor their own data continued to be refined. FSP also provided cohort meetings with FGAs and Site Supervisors each semester to look at progress towards outreach goals and to discuss best practices with each other.
- Efforts have continued through district funds to support Read by Grade 3. This district has provided specific support to numerous schools on family literacy including; implementing Academic Parent-Teacher Teams; provided families with information on literacy learning opportunities during winter and spring breaks; and provided professional learning on family engagement tied to literacy with Learning Strategists during Teal Tuesdays as well a cohort of teachers implementing Literacy Clubs with families in their own classrooms. These Literacy Clubs are a 5-week program with a culminating family tour of a local WC Library.
- Continued the 8th year of the WCSD Parent University to provide free classes to families focused on how to support a child's learning at home, how to understand data and their child's progress as well as support for college and career readiness, social and emotional learning and digital citizenship. Classes were taught in schools and community-based locations and offered free childcare and interpretation.
- The Department of English Language Development supported new families to the community who were seeking refuge in partnership with Northern Nevada's International Center, providing families with individual support in the transition to school and connecting families with current resources to support their navigation of the educational system.
- All schools created a comprehensive plan for family engagement incorporated into the School Performance Plan.
- Support was provided for the district's Council on Family Engagement, an advisory volunteer board that works in partnership with the district on WCSD's family engagement efforts. The Council makes recommendations to the Superintendent about best practices to support the board policy on family engagement. COFE continued to work on new ways of measuring the school's family engagement efforts as well as the family friendliness of each school site.
- The district provided an online district-wide Family Climate Survey aligned with student and staff surveys and continued the

use of paper surveys to ensure that all families had an equitable chance of providing input. Climate data is reported back to schools individually and is also used for district foundational goals. The Title I Office tracked survey response numbers weekly at each Title school and worked closely with the FACE Liaisons to increase response rates.

- Supported the positive Parent Teacher Home Visit Program in 25 schools and Academic Parent-Teacher Teams in 4 schools.

Discipline

The mission of the Ombudsman & Strategies Office is to provide system-wide leadership for a unified approach to fostering climate and student engagement. An engaging climate which optimizes learning is one in which students, families, and staff share a sense of belongingness, is inclusive, and one in which equitable practices and collaboration prevail. This requires coordination between many office departments including our Equity & Diversity Department, our MTSS-SEL Department, our Intervention Department, our Family Schools Partnership Department, Our Counseling Department and Social Work Division, and our Behavioral Divisions. It also requires cross-office collaboration with the Office of Accountability, Office of Academics, and the Office of School Leadership.

Our Behavior Division works on an ongoing basis with school site administration focusing on preventative measures and non-traditional forms of discipline. Working collaboratively with schools and multiple stakeholders, we have developed our behavioral manual and behavioral matrix which provides clear guidance and expectations regarding disciplinary practices. A major emphasis of this work is to decrease the number of major behavioral incidents, including the number of incidents related to bullying or cyber bullying, and to reduce the use of out of school suspensions, as appropriate. It also places a premium on non-traditional disciplinary strategies such as Restorative Justice. Our guidance is closely aligned with recent legislative changes to disciplinary statutes driven by Assembly Bill 168 and Senate Bill 89.

In response to revisions to NRS 392.4644 and other related sections, the District:

- Updated WCSD Policy to reflect the changes
- Updated guidance manuals and procedures to support schools regarding changes
- Provides ongoing training to all school administrators regarding the changes
- Worked with the Washoe Education Association and other associations to provide information regarding the legislative changes

The WCSD continues to examine student behavior, school climate and safety data through an equity lens. All schools participate in climate and safety surveys annually, which include parents, students and staff results. Reports are issued to all schools with opportunities to interpret information. Periodic time is spent with schools examining discipline outcomes and disproportionality.

Department of Civil Rights Compliance

The Department of Civil Rights Compliance (DCRC) has the following responsibilities:

- Ensure that Board Policy, Administrative Regulations and Procedures are in place to ensure a safe and respectful school environment for all students and staff
- Create a streamlined procedure for filing and resolving complaints and appeals
- Present training and act as a resource to school administrators responsible for investigating bullying complaints
- Establish relationships with the Nevada Department of Education and the Office of Civil Rights and resolve complaints filed with these agencies

As an on-going practice the WCSD engages in providing a Behavioral Matrix which also serves as the WCSD's Progressive Discipline Plan. This document is designed to support administrator's in providing consistency in disciplinary consequences. This document is reviewed and revised by a multi-disciplinary team and all administrators have the opportunity to receive training on the Behavioral Matrix on an annual basis.

Procedures related to behavior and discipline are currently under revision for the 19-20 school year.

Curriculum Details

It is the mission of the Washoe County School District (WCSD) to create an education system where all students achieve academic success, develop personal and civic responsibility, and achieve career and college readiness for the 21st century.

The mission of the Curriculum and Instruction Department is to provide a clear vision and leadership by

- developing and implementing rigorous, relevant curriculum,
- creating instructional resources & materials,
- managing instructional programs, initiatives, and projects,
- facilitating literacy and community engagement by leading school library and media programs,
- communicating and collaborating with internal and external stakeholders, and
- developing professional learning that honors teachers and provides content expertise to the District.

To accomplish that mission, the District has adopted the Nevada Academic Content Standards (NVACS) which include:

- Math - Common Core State Standards
- English language arts – Common Core State Standards

2019-2020 District Accountability Report

- Science – Next Generation Science Standards
- World Language – National Standards for Foreign Language Education
- All others - Nevada specific academic standards

These Standards are the basis for the District's classroom instruction. Student mastery of the academic standards is inextricably linked to achievement of the objectives in "Envision WCSD 2020" as detailed elsewhere in this accountability report. Nevada's academic standards can be located online the Nevada Department of Education website http://www.doe.nv.gov/Nevada_Academic_Content_Standards/

Family Resources /Guides to Student Learning created by Washoe County School District can be found at: <http://www.washoeschools.net/Page/4292>

Additionally, Information for families can be found on the National PTA website at <https://www.pta.org/home/family-resources/assessments-and-standards/Academic-Standards>

The Curriculum & Instruction Department can provide grade level and content area support. Please see the staff member list: <https://www.washoeschools.net/Page/14775>

In addition, to the above links, relevant curriculum information is provided about other academic programs and curriculum opportunities available in the District, including: Advanced Placement, Gifted and Talented Program, High School Signature Academies, Career & Technical Education, International Baccalaureate, The Davidson Academy, Adult Education and North Star Online School. This information can be found <http://www.washoeschools.net/site/Default.aspx?PageID=638>

In addition to core curriculum, the Curriculum and Instruction Department coordinates:

WCSD arts events including: music festivals, honor groups, arts festivals, and community arts partnerships and acts as a liaison with community fine arts groups and businesses to develop partnerships. More information on the fine arts program can be found at <https://www.washoeschools.net/Page/1056>

S.H.A.R.E. (Sex Health and Responsibility Education) program provides students with a factual comprehensive, abstinence-based instructional program delivered by specially trained teachers and counselors addressing the HIV/AIDS awareness, reproductive system, Sexually Transmitted Infections (STI's) and sexual responsibility. More information can be found here: <http://www.washoeschools.net/Domain/483>

Library Services provides district leadership for school libraries at all levels and develops policies and procedures to standardize and improve library media programs as well as connect school libraries with community libraries and regional literacy efforts. More information can be found here: <http://www.washoeschools.net/Domain/254>

Demographics and Student Information

Data are provided by the Nevada Department of Education from the state student information system. Gender, race/ethnicity, and special student populations are reported as of validation day.

Data as of Validation Day

'-' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

'**' indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

| means these schools are CEP or Provision 2 Schools and officials do not track who eats breakfast or lunch.

Adult Education is not included in the totals.

Data as of Validation Day

'-' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

*** indicates that the data was not available.

IEP= Students with disabilities

EL= Students who are English Learners

FRL= Students qualifying for Free/Reduced Price Lunch

District totals do not include state or district sponsored charter school data. (2008-Current)

| means these schools are CEP or Provision 2 Schools and officials do not track who eats breakfast or lunch.

Adult Education is not included in the totals.

Student Average Daily Attendance (ADA)

Student Average Daily Attendance (ADA) is the percentage of the school enrollment in attendance on an "average school day" as of the 100th day of school.

Data as of: End of school year

'-' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

*** indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

Discipline and Transiency incidents are reported at the school where the action occurred.

Users should note that this data may have been affected by the early closure of school facilities in spring of 2019-20 due to the COVID 19 pandemic. Consequently, results for 2019-20 may not be comparable to previous years.

**The purpose of some alternative programs is to enroll students for a short period of time until they can reenroll in a comprehensive school; therefore, transiency rates may be greater than 100% or N/A. Data reported as of the end of the school year.

Data as of: Count Day

"-" indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

"N/A" indicates that this population was not present.

"***" indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

Because of the changes in law (NAC 387.659) in 2009-2010 that affected the way credit deficient students are identified, results prior to this date and post this date cannot be compared.

Users should note that this data may have been affected by the early closure of school facilities in spring of 2019-20 due to the COVID 19 pandemic. Consequently, results for 2019-20 may not be comparable to previous years.

Data as of: December 1st

'-' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

'**' indicates that the data was not available.

"+" Teachers may serve multiple grade levels as needed. Student/Teacher Ratio is reported for the school as a whole.

"++" Kindergarten ratios are based on the number of classes, not teachers.

District totals do not include state or district sponsored charter school data. (2008-Current)

Average Class Size

Average Class Size is listed for all classes where students rotate to different teachers for different subjects.

Data as of: Previous School Year

'-' indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

'N/A' indicates that this population was not present.

*** indicates that the data was not available.

Data in grade 9-12 excludes pupils:

who successfully completed HSE assessment,

who are enrolled in approved courses for an adult standard diploma,

withdrew from school to attend another school.

Data is not displayed for a group where enrollment information is missing.

Negative value indicates rate cannot be calculated due to zero enrollment.

Nevada System of Higher Education Remedial Data

Students enrolled in remedial courses within the Nevada System of Higher Education (NSHE) do not reflect all graduates. Some graduates do not attend college or they attend college out of state.

'-' indicates data not presented for groups fewer than 10.

'N/A' indicates that this population was not present.

*** indicates that the data was not available.

For further explanation on cohort graduation indicators and other terminology, please see the glossary section.

Cohort Graduation Rate is lagging data, which means that for 2012-2013 Report Card, data from 2011-2012 school year (class of 2012) is being reflected. Likewise, in the 2011-2012 Report Card, data from 2010-2011 (class of 2011) school year is reflected.

‘-’ indicates data not presented for groups fewer than 10 in order to protect the student privacy under FERPA.

‘N/A’ indicates that this population was not present.

*** indicates that the data was not available.

For further explanation on cohort graduation indicators and other terminology, please see the glossary section.

Cohort graduation rate data is lagging data.

Summary of Standards-Based Test Performance

No assessment data is reported in 2019-2020 per USDOE COVID-19 Waiver.

Fiscal Information

The Elementary and Secondary Education Act of 1965 (ESEA) as amended by the Every Student Succeeds Act (ESSA) requires the reporting of the per-pupil expenditures including actual personnel and non-personnel expenditures, disaggregated by source of funds, for each school district and each school in the state for the preceding fiscal year. For more details, please visit www.nevadareportcard.nv.gov where comprehensive and interactive data tables and individual school level financial reports are available.

Personnel Information

Classes Not Taught by Highly Qualified Teachers

Highly qualified teachers hold a minimum of a bachelor's degree, are licensed to teach in the State of Nevada, and have demonstrated competence in their teaching area. Data were obtained from the Office of Teacher Licensure as of May 2020.

Substitute Teachers Data as of: June 30th (2008-Current)

'N/A' indicates that this population was not present.

*** indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)

The reporting of long-term substitute teacher data began in 2005-2006. Short-term substitute teacher data will be reported for the first time on the 2006-2007 report.

Data as of: Fall

'N/A' indicates that this population was not present.

*** indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008- Current)

District NSPF Results:

2019-2020 NSPF results are not available. School ratings will be reported in Fall 2021.

Note: District totals do not include state or district sponsored charter school data.

The development of this annual state accountability report is a joint effort among the Nevada Department of Education and Nevada school districts. This report is provided to the public as required by the federal Every Student Succeeds Act (ESSA) and NRS 385A.400. A comprehensive listing of all accountability data, including student test data, may be accessed on the Nevada Annual Reports of Accountability website at www.nevadareportcard.nv.gov.
